PMC Trading Medical Supplies primarily targets the need for Medical Equipment and supplies. Our goal is, to be affordable whilst still offering Service Excellence and Quality Products, as it is our desire to assist our Customers and the final end User to the best of our ability. It is our goal to be a solid, reliable and dependable player in the Medical Supplies arena in order to foster healthy relationships with our Customers, hereby encouraging loyalty and longevity for all players concerned.

We have been successful in building a brand of service excellence and quality equipment amongst our clients, and the loyalty of our clients keep us motivated to keep growing and improving our presence and product offering.

We research the most up to date medical innovation in hospital furniture and medical capital equipment, to bring our clients the latest and best solution and long-term investment in their hospital or clinic.

## About PMC Medical Equipment

PCM trading is a proudly South African company focusing on the sales and distribution of Medical Equipment. The business was built on medical expertise, excellent client service and the pursuit of medical- and clinical innovation.

## About PMC Medical Equipment Supplies

In our efforts to achieve this we further endeavor to make our working environment a pleasant. Our team is driven as one unity and can only strengthen PCM Medical Supplies. We have a range of clinical equipment which we supply in around the country. We make all efforts to source additional, quality products and in so doing we do look to source locally wherever possible. If the required product is not available locally, we will import, as is necessary, in order to meet our Customer's needs.

# Nontoxic II type medical instrument

## Nontoxic II type medical instrument kit for internal fixation and removal

Place of Origin:	Guangzhou China
Brand Name:	GOLGATHA
Certification:	CE/ISO
Model Number:	GGT – 9028

### Product Description

Properties	Implant Materials & Artificial Organs	Place Of Origin	Guangdong, China
Brand Name	GOLGATHA	Material	Titanium Alloy Stainless Steel
Color	Metal Color	Certification	CE And ISO
High Light	Surgical orthopedic implants, surgical instrument kit		

# Laminoplasty surgical instrument kit

Laminoplasty surgical instrument kit, orthopedic surgical tools for operating room

Place of Origin:	Guangzhou China
Brand Name:	GOLGATHA
Certification:	CE/ISO
